

2022 Forbes Best-In-State Wealth Advisors

Lawrence C. Olin, Robert A. Schwarz, and Andrea C. DeVincenzi, Managing Directors – Investments, Senior Financial Advisors for The Olin Financial Group of Wells Fargo Advisors were recognized as “2022 Best in State Wealth Advisors” by Forbes.

“It’s an honor to again be named by Forbes as a 2022 Best in State Wealth Advisor. While I am humbled to have been recognized, this is as much an award for the entire Olin Financial Group as it is for me. And this goes without saying...without being able to work with such wonderful clients, this achievement would never be possible in the first place... so THANK YOU!”

Lawrence C. Olin

“I thoroughly enjoy solving big financial issues for clients. Many times we agree on the best course of action and they previously didn’t realize it was even an option. In most cases I get to see major improvements in their quality of life without them believing it was possible. This gives me a great deal of satisfaction.”

Robert A. Schwarz

“We spend a lot of time talking about how the market can be a very emotional place. It’s a rollercoaster of emotions – from optimism to euphoria, fear to capitulation, then back to optimism. My goal is to remove that emotion. I focus on what’s most important to clients – protecting their nest egg, and using that nest egg to achieve the life goals they have always dreamed of.”

Andrea C. DeVincenzi

“The repeated inclusion of Larry, Bob and Andrea into the Forbes Best in State Wealth Advisors list comes as no surprise to me or any of their valued clients. The entire team’s commitment and focus on helping clients plan and execute on their individual retirement and life goals is taken to a higher level of professionalism and care than I have seen in the industry.”
